Kresto® Cherry WIPES

Dual sided cherry-scented hand cleansing towels for the gentle removal of extra heavy duty contamination without using water.

Description

Dual sided hand cleansing towels for the gentle removal of extra heavy duty contamination without using water. Kresto® Cherry WIPES are made from polypropylene and are moistened with a cleansing solution. Thanks to its dual-sided and slightly rough structure, the wipe features consistent and reliable cleansing power without the use of abrasive additives. Kresto® Cherry WIPES clean quickly and thoroughly, without unduly stressing the skin.

Area of Application

For fast cleansing and pre-cleansing after contact with extra heavy duty contamination such as waste mineral and lubricating oils, graphite, metallic dust, carbon black, sealants, and paint.

For workplaces where there is no water available for cleaning hands. Ideal for drivers, breakdown services, assembly and maintenance personnel, workmen etc.

Kresto® Cherry WIPES are compliant to California Air board Regulations (CARB) on volatile organic substances (VOC).

Product Description

Dual sided, textured towel impregnated with clear cleansing liquid. Size 10" x 12".

Instructions for Use

- Remove towel from container.
- Wipe soiled hands/tools until all of the dirt is removed by the towel.
- No rinsing is necessary.

Designed for use on hands but can also be used on tools (please test small area first as this is also a very effective paint remover).

Do not use on face. Do not dispose of in sewer systems.
