Product Information

Kresto® Citrus

Powerful citrus super heavy duty hand cleanser with Deb's unique patented combination of orange oil extracts and cornmeal hand scrub.

Description

Special hand cleanser with natural solvent and a non-aggressive natural scrubbing agent for super heavy duty skin cleansing, ideal for the toughest industrial dirt. It cleans extremely well in cases of intensely stubborn industrial dirt (e.g. grease, oil, soot, metal dust, lacquers, adhesives, etc.) that cannot be removed at all by products that are free of scrubbers and solvents without putting excessive stresses on the skin.

Kresto® Citrus does not clog drains or pipes. It is easily rinsed away and is not prone to swelling.

Area of Application

For use at the end of each work period, or more frequently if required, to remove a broad spectrum of deeply ingrained and difficult to remove soils such as tar, inks, bitumen, many adhesives, most oil based paints, oil, grease and grime.

Product Description

Light yellow, containing a natural scrubber corn meal powder and a safe natural non-petroleum-based solvent.

Instructions for Use

- Do not wet soiled hands.
- Rub in small amount of product thoroughly.
- Add a little water and continue washing.
- Rinse with plenty of water and dry thoroughly.

Features	Benefits
Powerful and Versatile	Natural, biodegradable orange oil and cornmeal scrubbers cut through heavy contamination without damaging the skin or harming the environment
Quick Rinsing	Quickly and easily rinses away leaving no residues on skin or in the sink
Contains refined lanolin derivative, a super fatting conditioner	Helps the skin replace lost moisture and leaves it feeling soft and supple after use
EcoLogo™ Certified	Provides customers with assurance that the products meet stringent standards of environmental leadership
