

# Outlaw PB

## Cordless Backpack Vacuum

For unrivalled productivity, the Outlaw PB battery-powered vacuum has the runtime, features, and performance to supercharge your vacuum process. The mobility and enhanced safety of a cordless design, combined with low noise levels, make this Backpack ideal for spot vacuuming large buildings—offices, healthcare facilities, classrooms, and conference areas.

- Instant trigger and cordless design provide unparalleled productivity — spot vacuum up to 30,000 sq. ft. per hour.
- NiMH battery technology has double the charge density of traditional batteries. As a result, the Outlaw PB provides up to 2 hours of runtime from each set of batteries.
- To assure a comfortable fit for all body types, the ergonomic “backpacker” harness adjusts at the shoulders, chest, and waist.
- 0.5 HP, 2-stage, 24V vacuum motor provides plenty of cleaning muscle.
- Very quiet, 65 dbA noise level means the Outlaw PB can be used in occupied areas at any time.
- Cordless design reduces the risks of a trip/fall accident, eliminates damage to surroundings, and saves the repair cost of the most frequently damaged part—the cord!

# Outlaw PB Specifications

<b>Motor</b>	2-stage
Type	24V, 0.5 HP
Air Flow	Maximum 70 CFM (33 L/sec)
Waterlift	44 in (112 cm)
<b>Filtration</b>	Provides 5 micron capture at 99.7% efficiency. Consists of pre-filter, pleated cone filter, and final foam filter. (HEPA available - Part # 6991131).
Filter Area	4 sq ft 0.4 m <sup>2</sup>
<b>Switch</b>	Instant on/off trigger on wand handle
<b>Batteries</b>	NiMH, 12V, 9.5 AH (each)
Operational Runtime	1-2 hours spot vacuuming
Constant Runtime	30-35 minutes
<b>Construction</b>	
Body	Rotocast polyethylene
Harness	Adjusts at shoulders, chest, and waist
<b>Sound Level</b>	65 dBA @ operator, 55 dBA @ 10 ft
<b>Debris Canister</b>	1.6 dry gal (7 L)
<b>Dimensions</b>	
Height	25 in (63.5 cm)
Width	12 in (30.5 cm)
Length	12 in (30.5 cm)
<b>Weight</b>	
Machine	14 lbs (6.3 kg)
Battery Set	8 lbs (3.6 kg)
Shipping (1 Batt set)	40 lbs (18 kg)
Shipping (2 Batt set)	48 lbs (22 kg)
<b>Shipping Class</b>	100
<b>Warranty</b>	3 years limited
<b>Productivity</b>	30,000 sq ft per hour spot vacuuming, 60,000 sq ft per charge

- 1 Outlet at the top directs exhaust away from the operator and keeps desk papers where they belong.
- 2 Backpacker-type harness assures a comfortable fit for all body shapes and sizes.
- 3 Intake at the bottom means power is used to collect debris, not lift it.
- 4 Instant trigger on the handle extends battery runtime for maximum productivity and floor coverage.
- 5 Comes with adjustable, telescoping wand (ideal for stairs) hard floor/carpet tool, round brush, and crevice tool.

Cordless operation accelerates spot vacuuming in office areas.

In addition to the enhanced safety benefits of a cordless design, the Outlaw PB's quiet operation makes it ideal for healthcare facilities.

The Outlaw PB can also be mounted on a large barrel. Requires 2 Barrel Hangers (#6990781), 10ft hose (#6990801) and Accessory Skirt (#6990791)

The charger sequentially recharges two sets of batteries. It restores 60% capacity in 60 minutes, 90% in 90 minutes, and fully recharges a set in two hours. The tray simplifies staging in large facilities.

**DO NO HARM™**

The Outlaw PB harness is highly ergonomic, incorporating a number of important design features. The harness adjusts for height; has separate adjustments at the shoulders, chest, and waist; while the hip belt allows the user to alter the position of the batteries for improved comfort and balance.
